Survey narrative to comply with (ORS 209.250), Oregon State Law of 1947

For: C. V. & L. L. Zenke, Adams Road, Talent, Oregon

Purpose: To establish boundary lines of tract (C. V. Zenke to L. L. Zenke.

Procedure: Began survey at an iron pipe set by Ed. McGinty for S.E 1/16 corner of the section and projected the 1/16 line along the line established by McGinty to iron pipes set by him on property west of this tract. Found a reestablished iron pipe set for the southwest corner of D. L. C. No. 57 and surveyed the tract shown on the accompanying map according to the bearings and distances shown thereon.
As C. V. Zenke owns land in D.L.C. # 57 he did not want to establish the true line along the south line of said claim so a due east course was used.
