**SURVEY NARRATIVE: 16406**

**LOCATION:** In the Southwest 1/4 of Section 1, Township 35 South, Range 04 West, Willamette Meridian, Jackson County, Oregon.

**SURVEY FOR:** Charles A. & Penney E. Hill  
10625 East Evans Creek Road  
Rogue River, Oregon 97537

**AND FOR:** Oregon Water Trust  
111 SW Naito Parkway Suite 404  
Portland, Oregon 97204

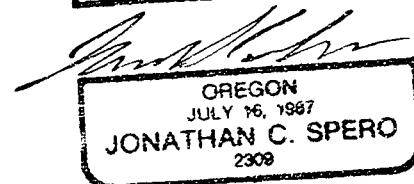

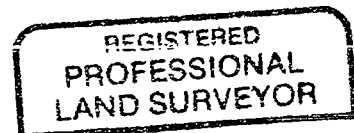

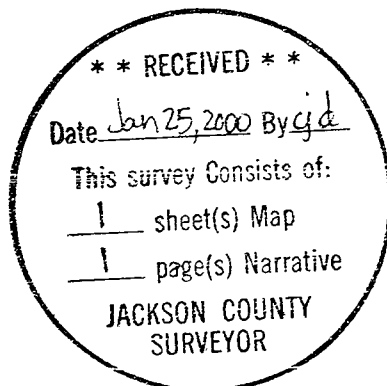

**PURPOSE:** To perpetuate the location of the Williams - Whalen Irrigation ditch along the Northwestern boundary of the Hill parcel. The center of the ditch is the property line. This ditch is to be abandoned as a part of an Oregon Water Trust project to improve fish passage in East Evans Creek.

**PROCEDURE:** As this ditch, which is the property boundary, is no longer to be used, I set steel fence posts at each angle point along the centerline of the ditch and made ties to the Center-South 1/16th corner, the witness monument for the South 1/4 corner, and the Southwest Section corner for Section 1 as shown on the accompanying map.

Bearings are based on the North - South centerline of Section 1 which line bears South 00°24'53" East as per Survey 14790.

This survey was performed using a Nikon DTM-430 electronic survey station.  
Map of Survey is a separate document.
