Re: County Filed Survey No. 3800

DATE: September 1, 1971  
Additions: May 3, 2000

PURPOSE: To monument and describe two revised parcels within the  
25.09 acre tract and the 5.86 acre tracts as previously  
monumented on County Filed Survey No. 3800.

PROCEDURE: From random traverse controls previously set on County  
Filed Survey No. 3800, monumented and re-described the 5.90 acre and 5.94 acre tracts  
as shown on the map to accompany this report. It should be noted, that no recent field  
trip has been made by this office since 1971.

This previous survey map was not quite complete and became misplaced and not filed in 1971. We therefore have completed the data and are submitting this survey for filing in the office of the County Surveyor.
