JACKSON COUNTY
SURVEYOR

SURVEY NARRATIVE
TO COMPLY WITH PARAGRAPH 209.250, OREGON REVISED STATUTES

DATE OF SURVEY:

April 24, 2000

SURVEYED BY:

Terrasurvey, Inc.
274 Fourth Street
Ashland, Oregon 97520

SURVEY FOR:

Richard M. Barth
787 Los Robles
Palo Alto, California 94306

LOCATION:

Lot 1, Block 46 of Summit Addition to the City of Ashland, in Section 9, Township 39 South, Range 1 East of the Willamette Meridian & Base, Jackson County, Oregon.

PURPOSE:

To survey and monument the client's property.

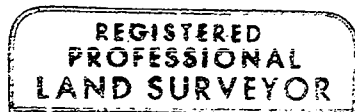

BASIS OF BEARINGS:

Found monuments on the centerline of Vista Street, between Meade Street and Gresham Street as shown on Filed Survey No. 4055.

PROCEDURE:

Surveys No. 4055, 7645, and 8114 retraced the boundary of Block 46 of the Summit Addition. Both surveys located the street centerline intersection monuments and then used proportionate measurements to determine the interior Lot lines. My measurements to the centerline monuments and the existing property corners agreed very closely with the previous surveys.
