Survey narrative to comply with ORS 209.250, Oregon State Law of 1947

For: . . . Vernon E. Norwood, 1121 Park St. Ashland, Oregon

Purpose: To include this tract in a platted & recorded Subdivision

Proceedure: As this subdivision is a portion of Lots 33 & 34 of the platted Bellview Tracts and the corners of these Lots have been set by prior surveys, began my survey at the northwest corner of Lot 34 which was marked with a $\frac{1}{2}$ " iron rod, which I replaced with a 1" iron pipe and using the other corners of lots 33 & 34, which are marked with iron pipes for the basis of my boundary survey and I surveyed and marked the corners of the lots and blocks shown on this map according to the bearings and distances set forth.
