JACKSON COUNTY SURVEYOR

SURVEY NARRATIVE
TO COMPLY WITH PARAGRAPH 209.250, OREGON REVISED STATUTES

DATE OF SURVEY:

September 27, 2000

SURVEYED BY:

Terrasurvey, Inc.
274 Fourth Street
Ashland, Oregon 97520

SURVEY FOR:

Richard M. Barth
91 Gresham Street
Ashland, Oregon 97520

LOCATION:

Lot 1, Block 46 of Summit Addition to the City of Ashland, in Section 9, Township 39 South, Range 1 East of the Willamette Meridian & Base, Jackson County, Oregon.

PURPOSE:

To replace a property corner which had been removed by construction.

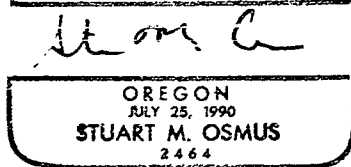

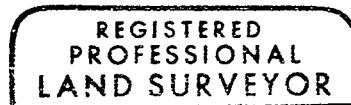

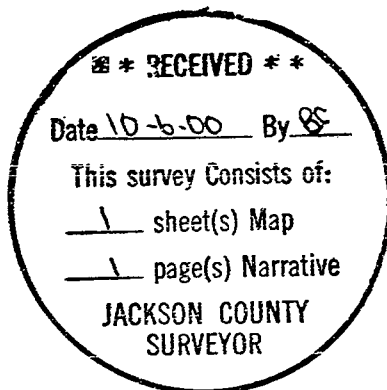

BASIS OF BEARINGS:

Found monuments on the centerline of Vista Street, between Meade Street and Gresham Street as shown on Filed Survey No. 4055.

PROCEDURE:

This parcel was surveyed by this office earlier this year and filed as Map of Survey No. 16517. At that time there was a found 5/8" iron pin from Survey No. 7645 at the southeast corner of the parcel and another 5/8" iron pin of unknown origin about a foot northeasterly of the corner. Both of these pins were removed during construction of a concrete retaining wall. The actual corner now falls in the footing of the retaining wall so a witness corner was set in the adjacent sidewalk.
