NARRATIVE: A control traverse was established in the subject area using a Wild T-1000 total station. The east half of the north line of the subject Section 22 was controlled and a line 30 feet south of said section line (per Instrument No. 99-28126) was monumented. Record information from Filed Survey 13987 was used to define the direction of the lines running southerly from the section corner and the 1/16 corner...
