Survey for: George Mayo & Ed Kubli

Survey by: Edward A. McGinty, L.S.

6/29/61

BASIS OF BEARING: Solar Observation.

PRECEDENCE OF SURVEY.

Surveyed tract or parcel of land as shown.

The southerly line was determined from the center line of the Applegate River.

The northerly line was determined for the center line of the road and the extension thereof.

The northeasterly line (South  $70^{\circ}55'20''$  East) is a proposed division line between the adjacent property.
