Re: Filed Survey No. 17259, Horizontal Control for Highway 62 Storm Drain.

Due to construction activities which have disturbed or destroyed the locations of certain monuments shown on Filed Survey No. 17259, we have replaced those monuments with 5/8" x 24" rebar with orange plastic cap stamped "HARDEY ENG & ASSOC."

The monuments replace are numbered **375, 376, 378, and 1016** as shown on said filed survey.

These monuments have been replaced in their record recovery positions prior to construction activities and no analysis of the correctness of their location has been made.
