SURVEY NARRATIVE

PURPOSE: To survey and set a monument at the intersection of the South boundary of my client's property, O.R 02-01067 of the Official Deed Records of Jackson County, Oregon and the Westerly right of way line of Hannon Road.

PROCEDURE: I tied the Northwest corner of Donation Land Claim 46 and the Southwest corner of Donation Land Claim 45 along with right of way monuments set on the Westerly right of way line of Hannon Road per filed survey 16586. I then computed the intersection of the Donation Land Claim line with the Westerly right of way line of Hannon Road, setting a monument as shown.
