## NARRATIVE

May, 2003

Survey for:

Bill & Lori Whitley in the Northeast quarter of Section 22, T38S, R1W, WM

Purpose:

To survey & monument the boundaries of the tract described in Document No. 02-20463, Jackson County Official Records.

Procedure:

Utilizing a Nikon DTM400 total station, I ran a closed traverse & located the monuments shown on the attached map.

The southeast corner of the Crocker Tract was determined per CS4203.

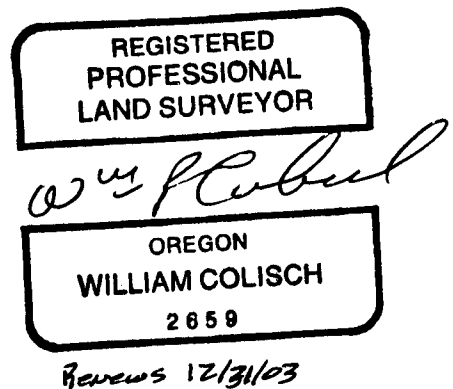

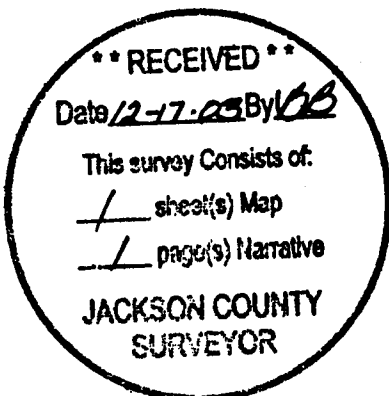

The south line of the property in question was determined by deed record.

The east line of Section 22 was determined by proportionate measurement along the south line of DLC 58.

The railroad Right-of-Way was determined by physical location, consistent with CS9543.

The west line of the property in question was determined by the found monuments shown on the attached map.

Hartley Lane was determined per CS 5935 & CS 9543.
