1847

Survey No. 1847

Survey Narrative to comply with O.R.S. 209-205 and O.R.S. 209-120.

Survey for: Gordon Kershaw

Survey by: Edward A. McGinty, L.S.  
1/8/62

BASIS OF BEARING: Solar observation.

PRECEDENCE OF SURVEY:

The center line of Kershaw Road was determined from County Road records.

The northerly line of Section 27 was determined from monuments found.

The westerly line of Deed Record, Vol. 182, page 5, was determined from a mean bearing along the center of the Section and the west line of the Section at a proportional distance measured from the north 1/4 corner of Section 27. a. proper

The center line of Corey Road was determined from existing conditions. This location has been discussed with the County Engineer.
