SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

PURPOSE: Monument portion of southerly boundary of tract described in INST. NO. 03-86599 O.R.

PROCEDURE: To locate the boundaries of tract described in INST. NO. 99-08077 O.R. required locating the east boundary of the S.W. 1/4 S.W. 1/4 section 15. This was accomplished using found existing monuments as shown. The S.W. corner of section 15 was erroneously set on the first re-established in 1944. The county Surveys Office recently monumented the correct position for this corner which was used on this survey to locate the centerline of Dodge Road and to subdivide the S.W. 1/4 of section 15.
