Survey narrative to comply with ORS 209.250

For: Marilyn Schempp 111 Portland Ave. Medford, Oregon, and
C. H. Clawson 119 " " " "

Purpose: Exchange of triangular portions of lands, mark & describe boundaries of same.

Procedure: The division line between the Schempp and Clawson properties was old monumented with iron pipes. Namely the division line between the Lindley and the Imperial Additions. From these old monuments I surveyed and marked the corners of the triangular tracts with 3/4" iron pipes on the property lines according to the official plats of these Additions of record.
