

Survey narrative to comply with (ORS 209.250)

For: T. J. Hight, 221 N. Central, Medford, Oregon.

Purpose: To divide tract shown into 6 parcels.

Procedure: Found old iron pipes at the four corners of of this tract and subdivided same into parcels as shown on map according to the bearings and distances shown. I set 3/4" iron pipes at all corners of the tracts shown on map.

A handwritten signature in cursive script, appearing to read "L. E. Ager".
