SURVEY NARRATIVE

PURPOSE: To survey and monument my client's deed corners, per Instrument Number 2006-033198.

PROCEDURE: I recovered and tied monuments found or set on filed survey numbers 14490 and 16364 along with the East 1/4 corner of Section 10 and the Center East 1/16th corner of Section 10. These monuments established the control for the centerline of Alta Vista. I computed the deed corners of Instrument Number 2006-033198 of the Official Deed Records of Jackson County, Oregon and set monuments, as shown.
