NARRATIVE TO ACCOMPANY SURVEY

Southwest $\frac{1}{4}$ of Section, 18, T 35 S R 1 W, W.M.

Survey performed in March, 2007

Survey performed by Gresdel and Associates
4505 Shasta Way
Klamath Falls, OR

Survey performed for David Richardson

PURPOSE OF SURVEY: To locate and monument the lines of a parcel of land described in O.R. 03 39984. Official Records of Jackson County, OR. also shown as Tax Lot No. 504 on the County Assessor's Map No. 35 1W 18.

The adjoining property to the West is the West $\frac{1}{2}$ of the West $\frac{1}{2}$ of the Southwest $\frac{1}{4}$ of Section 18 as per O.R. 96 22434. The legal description in above mentioned O.R. 03 39984 overlaps the $W\frac{1}{2} W\frac{1}{2} SW\frac{1}{4}$ by 8.7 feet at the Northwest Corner. I staked the East Line of the $W\frac{1}{2} W\frac{1}{2} SW\frac{1}{4}$ by using the West $\frac{1}{4}$ corner and Center-west $1/16$ Corner shown on Recorded Survey No. 10295 and the bearing for the line of $S 00^{\circ}03'43'' W$ as computed from Recorded Survey No. 10295. I then staked the East Line of O.R. 03 39984 as per the legal description in that deed. I determined the North Line of Dodge Road by using the bearing of that line as shown on Recorded Survey No. 10295 and the $5/8''$ iron pin I found at the Southwest Corner of Dodge Road and Avalon Road.

Expires 6/30/07

OREGON L.S. 744, Donald A. Gresdel
