PURPOSE: To survey and monument the North line of that tract described in Doc. #01-36951, ORJCO.

PROCEDURE: Made ties to monuments of record as shown hereon to control this Survey. The North line in question is called as the South line of V.572, P.71, JCDR. Therefore I held deed record distance North from the 1" iron pipe marking the S.1/16 corner. Held deed record angle from the West line of Section 3 to determine the direction of the subject line. Set monuments at the locations as shown hereon.
