SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

PURPOSE: Monument the West 1/4 corner of Section 28. Blaze and paint the West boundary of Section 28.

PROCEDURE: The existing BLM monuments found set for the Northwest and the Southwest corners of Section 28 were tied and control ran between them. The proportionate position for the missing West quarter corner was computed. A diligent search was made for original corner evidence with negative results. Survey's have been conducted in the area by others and none show that evidence of the missing corner was located. The missing corner is considered lost and was reset at the proportionate position.
