Survey No. 3017

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: B. D. Mitchell
33 Black Oak Drive
Medford, Oregon

LOCATION: Sec. 35, T37SR1W, W.M.

PURPOSE: To monument and describe a tract located in the Northwest corner of the Gysin ownership and lying between tracts previously sold by Gysin and monumented on Recorded Survey Nos. 1201 and 1864.

PROCEDURE:

Found the 5/8" iron pin set for the Northeast corner of Recorded Survey No. 1201, back-sighted the 5/8" iron pin at the Northwest corner of Recorded Survey No. 1201, and projected said line Easterly to an intersection with the East boundary of Recorded Survey No. 1864 projected Southerly. Then measured Northerly to the 5/8" iron pin found for the Southeast corner of Recorded Survey No. 1864.

The remainder of the boundaries were then calculated from information previously obtained on said Recorded Surveys.

September 1962
