I, Christine Walker, County Clerk for Jackson County, Oregon, certify that the instrument identified herein was recorded in the Clerk records.

Christine Walker - County Clerk

AFFIDAVIT OF DEFERRED MONUMENTS, TO COMPLY WITH 92.070 OF THE OREGON REVISED STATUTES

Know all persons by these presents, that I, Cael E. Neathamer, a Registered Land Surveyor in the State of Oregon (Registrant No. 56545), do hereby affirm that I have established, with proper monuments, the subdivision corners depicted as deferred monuments stated under the "POST MONUMENTATION CERTIFICATE", on Sheet 2 of the official plat of STRAWBALE VILLAGE (A PLANNED UNIT DEVELOPMENT), recorded on November 9, 2005, in Volume 31 of Plats, at Page 63 of the Records of Jackson County, Oregon, and filed as Survey Number 18961 in the office of the Jackson County Surveyor. Exception to which described as follows:

- (1) Due to corner positions falling in rock outcroppings on a shear slope, not being suitable to establish permanently, established Witness Monuments as follows:
 - a. Set at North 59°42'30" East, 3.00 feet along the north line of said Lot 1, from the easterly end of curve labeled "C1".
 - b. Set at South 46°27'45" East, 3.00 feet along the common line of Lots 1 and 2, from the northerly corner thereof.
- (2) Due to the location of corners falling in rock outcropping(s) or in large boulders, unable to establish iron pin and cap. In place of monument type, drilled hole in rock, compressed a 038 caliber shell casing within the hole, and set brass tag marked "NEATHAMER LS 56545" with aluminum tack, as follows:
 - a. At the northerly corner common to Lots 7 and 8, being at the westerly end of curve labeled "C27".
 - b. On the northerly line of Lot 8, at the easterly end of curve labeled "C27".
 - c. On northerly line of Lot 11, at the westerly end of curve labeled "C38".
 - d. Near the southwesterly corner of Lot 13, at the easterly end of curve labeled "C45".
 - e. Near the southeasterly corner of Lot 13, at the northeasterly end of curve labeled "C44".
 - f. On the northerly line of Lot 14, at the easterly end of curve labeled "C49".
 - g. On the northerly line of Lot 14, at the westerly end of curve labeled "C50".
- (3) A found 5/8-inch diameter iron pin originally found at the angle point of the exterior boundary and Lot 15 (being located at South 89°37'40" West, 59.18 feet from the southwest corner of said Lot 15), has been removed by local construction. In its place, established a 5/8-inch diameter iron pin, 30 inches in length, with an orange plastic cap marked "C. NEATHAMER, LS 56545", set flush with the surface.

The monuments described herein were established on February 9, 10, 11 and 17, 2008.

Caul E. Meathamu Signed this the 23RD of February, 2009: Cael E. Neathamer, PLS REGISTERED **PROFESSIONAL** PREPARED BY: NEATHAMER SURVEYING, INC.
