SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

Purpose: to survey and monument that tract of land described in Instrument No. 2008-037798 of the Official Records of Jackson County, Oregon.

Procedure: the property now being surveyed is Lot 11 in Block 2 of Fruit Dale Addition. In 1972, surveyor Mark Boyden surveyed Lots 5 and 6 of Block 2, whereby he computed the location of Block 2 and set monuments at the prorated location of the boundary of Lots 5 and 6. Utilizing a Trimble S6 robotic instrument, a control traverse was run, tying monuments per Boyden's survey No. 4944. The surveyed monuments were found to be in close harmony with Survey No. 4944. I held the found monuments and data from survey 4944 as controlling and set monuments at the proportioned location of Lot 11 as shown.
