TO COMPLY WITH O.R.S. 209.250**

**Purpose:** This survey monuments the property line adjustment as approved by the City of Rogue River as shown hereon.

**Procedure:** I used control from previous projects in this section done by this office which I checked against other record surveys and find that we are in agreement on the dimensions of the west half of the east west centerline of this section 15. The pins shown hereon were tied in a closed traverse and found to fit with the recorded survey 11118 on file with the County Surveyor's Office. These pins are also consistent with the record deeds for both tracts of land being Instrument No 74-01188 for Tax Lot 2000 and 91-07859 for Tax Lot 1500. Pins have been established on the new boundary as shown.
