NARRATIVE

PURPOSE: To survey and mark the corners of the property lines per Jackson County Planning file number SUB2007-00034 and the recorded deeds as shown hereon.

PROCEDURE: In 2007, from previous control set on filed survey number 19575 and 19848, I set monuments on the proposed adjusted property line as shown. Legal descriptions were prepared and the County Surveyor at that time had reviewed my Map of Survey. Due to certain financial lending firms that required a numerous list of requirements and financial hardship on my client the deeds were not recorded until 2010, their recording numbers shown hereon. I have filed this survey to comply with O.R.S. 209.250.

NOTE: As of this date Jackson County Planning has not finalized approval for the Property Line Adjustment shown hereon. 2-25-10 JACKSON COUNTY SURVEYOR'S OFFICE
