Procedure: Surveyed the boundaries of the tract shown and traversed a line to the Section corner common to Sections 3, 4, 9 and 10, T. 39 S., Range 1 W., W.M. For the location of this corner I found the following:  
A Laurel 20" in dia. which bears N. 65° W. 9 links. this tree cut into thru old scar and the wood at the place of old scribe was rotted, no iron marks.

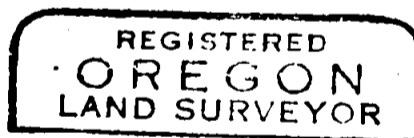

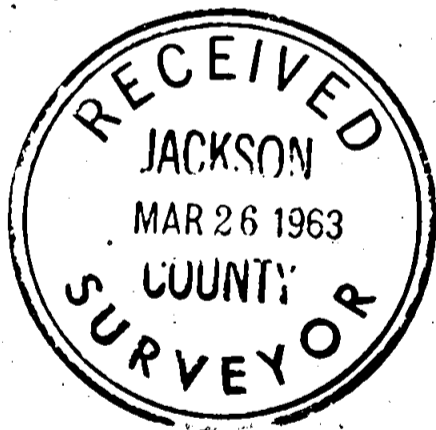

A laurel shell bearing N. 15° E. 35 links. inside this shell I found portion of B.T. scribe in relief or raised figures.

Found roots and partial of shell of Laurel bearing S. 68° E. 10 links.

No sign of orig. 5" B. O. Bt in S.W. Quad.

From the evidence of Orig. B.T.s I set a 3/4 inch iron pipe for the corner.
