SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

<u>PURPOSE:</u>

The purpose of this survey was to establish and monument the boundary described in Inst. No.: 2014—012142 recorded in the Official Records in the office of the Clerk in Jackson County Oregon.

PROCEDURE:

Utilizing Monuments found from S/N 6701, S/N 7281, S/N 14994, and S/N 16398 we established the center line locations for Fourth Street, Pine Street, Fir Street and Fifth Street. Once the centerline locations were established we held the 30 foot right of way width along each centerline to determine the dimensions for block 35. To get the dimensions of the lots we proportioned the width and depth based on the McCULLEY ADDITION Subdivision plat filed in Volume 4 Page 10 of the Jackson County Plat Records. We set a monument on each corner of the property as shown hereon.
