Survey No. 2202

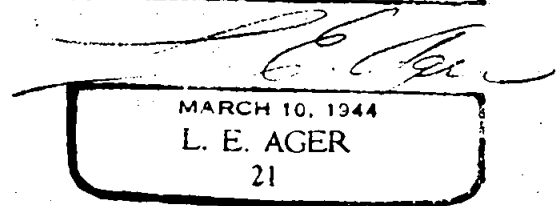

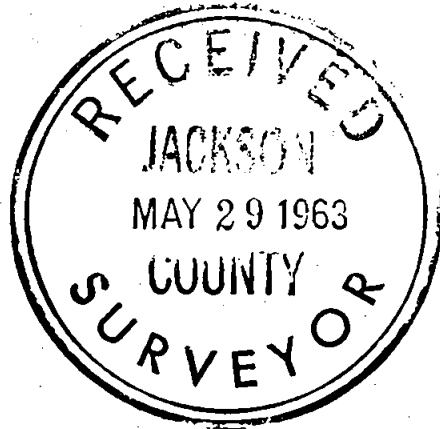

Survey narrative to comply with ORS 209.250

For: City of Phoenix, Phoenix, Oregon

Purpose: To establish Block corners as indicated on map.

Procedure: Found old iron pipes at center lines of Streets previously set by Boyden accoring to old map of this area, these monuments shown by double circles on this map.

From these old established center lines I set iron pipes for the block corners as indicated by circles on map. I referenced the pipes on Maple and "B" Streets as shown.
