2208

Written narrative to accompany plat for Survey No. 2208.

Survey for Mr. Richard Payne, R 3 Box 58 Medford, Oregon.

Located in the Southeast 1/4 of Section 5, T 37S. R 1 West.
Jackson County, Oregon.

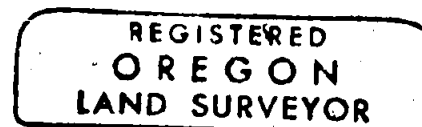

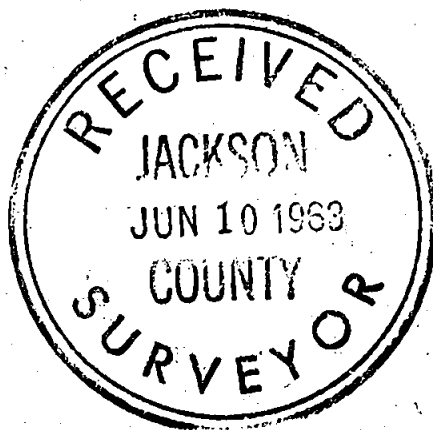

Purpose to lay out parcels along south boundary.

Procedure:

The 1/4 Section corner for the south boundary of Section 5 and 8 was retrieved from points previous established from this corner, The 1/2" pipe for the corner of Section 5, 4 8 & 9 was found, and a 1/4" pipe on the east boundary of Section 5 was used for side boundary control only for the purpose of layout, being set back 25 feet from this line.

We then set 5/8" bars along the north line of Coker Butte road, and along the north line of a tier of properties as shown on the plat.

Several Solar shots was taken for meridian.

L. N. Dow
