BARNETT ROAD

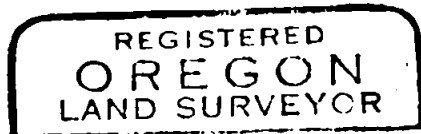

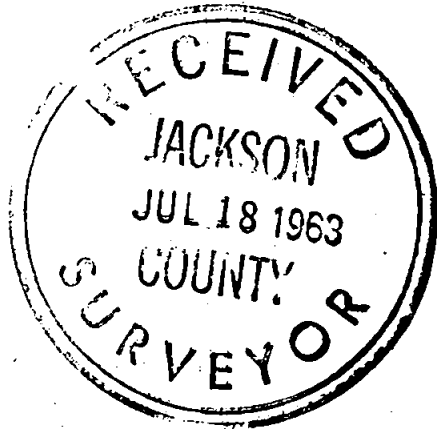

Survey No. 2223

Survey narrative to comply with ORS 209.250

For: D. L. Pickell, Medford, Oregon

Purpose: The boundaries of the total tract had been previously established. This to be divided into 5 tracts as shown.

Procedure: Found iron rods in place at the Northwest and Southwest corners and also monuments as indicated along the Northerly line of Barnett Road. Other corners replaced or reset as indicated on map and I set iron pipes at all corners of parcels shown.
