○ = 1/2" I. PIN
● = 3/4" I. PIN

Survey No. 2596

Survey Narrative to comply with O.R.S. 209-250:

Survey for: C. Guches

Survey by: Edward A. McGinty, L.S.

BASIS OF BEARING: Solar observation

PRECEDENCE OF SURVEY:

Purpose of this survey was to divide parcel of land recorded in Vol. 333 page 305 of Deeds of Record, Jackson County, Oregon. This deed is tied to the north north-west corner of DLC no. 47. This survey is based on deed records holding distance and angle. This survey indicates in the field and deed records that the easterly line of the Darby Sub-d. may be conflict. Along the easterly boundary, deed records indicate that a vacancy may exist between adjacent property. The center line of Stage Rd. was determined from previous survey of record, No. 1157, finding a 5/8 in. iron pin at the Southeast corner of said survey and finding a 5/8 in. iron pin at the intersection of Griffin Creek Rd.
