

Written narrative to accompany plat for survey No. 2600

Survey for Mr. W.G. Beard, 1702 Ridge Way, Medford, Oregon.

Located in Northwest quarter Sec. 8, T.37S. R 1W. Jackson County, Oregon.

Bearings and controls from Survey No. 2464, made previously.

Date August 17, 1964.

Purpose to stake out two 5 plus acre tracts south of Hondeleau Lane.

From a 5/8" bar set previously on the centerline of Hondeleau Lane

and on the line through the center of Section 8. and a 5/8" bar

at the intersection of Hondeleau Lane and a North and south street

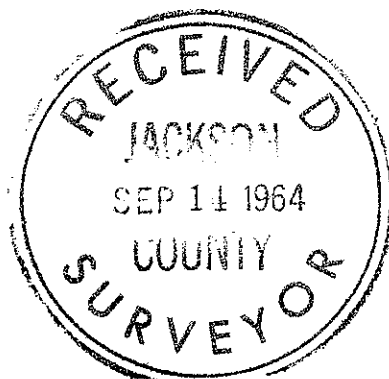

653.9 feet west of the pin at the east end of Hondeleau lane we

then used a 5/8" bolt previously set at the intersection of said

North and south street with the east and west centerline of Section

8.

From the above controls we then set 5/8" bars flush for the corners of the tracts as shown on the plat.
