

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250,
REVISED BY CHAPTER 555, O.L. 1963

FOR: Union Oil Co.
c/o H.F. Schmidt, Inc.
2901 Western Ave.
Seattle 11, Washington

PURPOSE: To monument that portion of Block 5 of ISH ADDITION
(recorded), excepting that portion lying within
the rights-of-way of the State Highway 62 interchange
and U.S. Highway 99.

PROCEDURE:

A previous survey by C.Z. Boyden in April 1940 segregated
the Westerly 0.406 acres of Block 5 lying Southeasterly from
the Medford Corporation Railroad right-of-way.

A subsequent survey by said Mr. Boyden in 1948 revealed
that the old iron pin near the East boundary of Ash Street was
not on the true South boundary of Donation Land Claim #60,
as had been assumed in the 1940 survey.

The positions of the original property lines were
calculated, based on said Ash Street iron pin, then "cut-off"
to the true DLC line.
