SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209-250
OREGON REVISED STATUTES

SURVEY FOR: Mr. W. V. Johnston
2631 Hillcrest Road
Medford, Oregon.

PURPOSE OF SURVEY: To subdivide Section 32, Township 36 South, Range 1 West Willamette Meridian, Jackson County, Oregon, and establish the boundaries of the Southwest Quarter of said Section, for the purpose of subdividing the same into tracts.

SURVEY PROCEDURE: The perimeter of the Section was traversed to determine the location and dimensions of the whole Section. All four Section corners were found in place as re-established, in addition to the South, East and North One Quarter Corners also found as re-established, the position of the West One Quarter Corner was verified as indicated by Recorded Survey No. 2050, the center of Section was established as indicated on the attached map and the Center South One Sixteenth corner was also established by single proportioning. The tracts within the Southwest Quarter were surveyed as shown. Bearings for this survey were adapted from Recorded Survey No. 2586.
