Survey No. 2947

Survey Narrative to Comply with O.R.S. 209-250

Survey For: Mr. David Giles
Little Applegate
Jacksonville, Oreg.

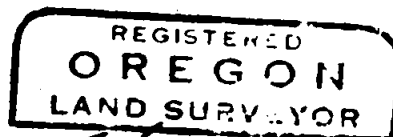

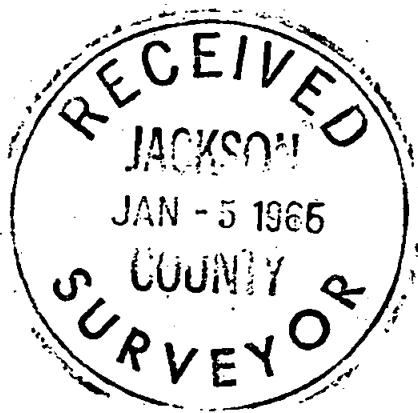

Purpose of Survey: To establish Lot corners

Survey Location: Lots 4&5 Block 55 O.T. Jacksonville, Oreg.

Basis of Bearing: S #2449

Survey Procedure: Found control points along the centerline of Oregon Street per survey # 2449; From this Survey was able to establish the centerlines of Elm and Oak Streets. Then going record distance I established the center of First Street. Using the Plat of Jacksonville I set the corners of Lots 4 & 5 Block 55. Also computed where the Section Line comes through and set Iron pins to delineate lot 5.
