SURVEY FOR: Mr. and Mrs. L. W. Buonocore  
109 South Oakdale Avenue  
Medford, Oregon

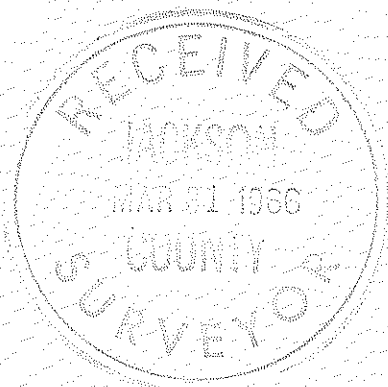

PURPOSE:

and

PROCEDURE:

To monument and describe the parcel of land indicated on the attached map, the client holds title to Lots 6, 7 and 8 of Wortman Addition to the City of Medford. Due to the ambiguities in the control and the obvious mathematical errors on the plat, the client was advised to clear the title to the tract as surveyed either by suit to quiet title or by boundary line agreements. The survey bounds the tract occupied by the client and their predecessors for many years past. Street control was found and used as indicated on the attached map of survey. The corners established by this survey are not intended to be the corners of the title tract. Basis of bearings Recorded Survey No. 615.
