 ○ = SET 5/8" X 24" IRON REINF. PIN
 ✕ = FOUND 5/8" IRON PIN

Survey Narrative To Comply With Paragraph 209.250
Oregon Revised Statutes

SURVEY FOR: Robert L. Schmidt
Route 1 Box 293S
Central Point, Oregon

LOCATION: Tract situated in Section 1, Township 37 South,
Range 3 West, Willamette Meridian, Jackson
County, Oregon.

PURPOSE: To monument and describe the tract indicated
on the attached map.

PROCEDURE: The tract boundaries were traversed and de-
termined by Recorded Survey No. 1742 on the East, the existing
property line on the South and the Southeasterly line of the
private roadway on the North and West. The records show that the
South line of the tract had previously been monumented and re-
ferred to as a One Sixteenth (1/16) line, but the distances
indicate the surveyor used record distances to locate this line.
By reason of the occupancy to this line the client requested that
this line be established as the boundary line by the use of a
boundary line agreement between himself and the adjacent owner.
The above details are shown on the attached map of the survey.
Basis of bearings--Recorded Survey No. 1742.

June 14, 1966
