○ = SET 5/8" X 24" STEEL REINF. PIN

Survey Narrative To Comply With Paragraph 209.250
Oregon Revised Statutes

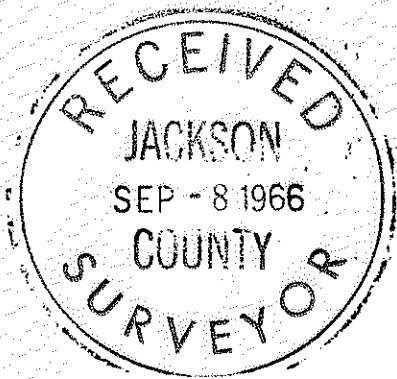

SURVEY FOR: Humble Oil and Refining Company
1500 N.E. Irving - Suite 514
Portland, Oregon

LOCATION: Tract situated in the Northeast One Quarter
(1/4) of Section 31, Township 38 South, Range
1 East, Willamette Meridian, Jackson County,
Oregon.

PURPOSE: To monument and describe the boundary of the
tract indicated on the attached map.

PROCEDURE: The existing center line of Valley View Road
was developed as shown. The 1-1/4 inch galvanized iron pipe at
the re-established Northwest corner of Donation Land Claim No. 48
was located and used. The bearings were adapted from Oregon State
Highway Department bearings with a theta angle of 1° 31' 56" ad-
justment. An unrecorded survey on the West side of Valley View
Road was tied but from information available the bearings are not
correct, therefore no correlation could be made.
