SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250  
REVISED BY CHAPTER 555, O.L. 1963

FOR: Paul T. Rutter  
600 South Second St.  
Central Point, Oregon

PURPOSE: To monument and describe a tract adjacent to the  
Southerly boundary of the Rutter contract ownership  
as monumented on Recorded Survey No. 2270.

## PROCEDURE:

Found control monuments as shown, monumenting the parcel with  
5/8" iron pins as indicated.

It should be noted, that the measurements around the cul-de-sac  
at the Northerly end of Edella Avenue as dedicated on the official  
plat of HOMESTEAD ACRES, EXTENSION NO. 2 are not mathematically  
correct.

In order to effect a common point intersection of the  
cul-de-sac with the lot corners, the cul-de-sac radius point was  
re-calculated to be 30.00 feet due West and 40.00 feet due North  
from the Northwest corner of Lot 1, Block 6 of said subdivision.
