

Survey Narrative to Comply With Paragraph 209.250
Oregon Revised Statutes

SURVEY FOR: Neil Davidson and Don Kahl
1708 Lenora Drive
Medford, Oregon

LOCATION: Tracts situated in Lots 1 - 2 - 11 and 12,
Block 4, of the original town of Medford.

PURPOSE: To monument the corners of the Eastern One-
Half (1/2) of Lots 11 and 12, Block 4, as
indicated on the attached map.

PROCEDURE: The controls established for Recorded Survey
No. 2822 were used for this survey and as indicated on the map. In
the process of making this survey it was found that record distances
had been used on the North-South distance of Survey No. 2822; it is
intended to correct the record by filing this map including both
surveys. The property corners were placed in the correct position
and now correspond with the distances indicated on the revised map.
Basis of bearings--Recorded Survey No. 2133.
