County Surveyor  
Jackson County  
Medford, Oregon

Subj: NW  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  of Sec. 22, T. 36 S., R. 4 W., W. M.

Dear Sir:

This survey was performed at the request of Mr. Phil Strahan, Rogue River, Oregon

The NW  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  of said Sec. 22 was previously established by Mr. Edward A. McGinty on April 22, 1960 by Recorded Survey # 1473.

The purpose of this survey was to cut out a  $2\frac{1}{2}$  acre parcel of which the west line was made parallel with the west line of the NE  $\frac{1}{4}$ . The  $\frac{1}{2}$ " I.P.s set along Ward Creek Road were set 30 feet South of the centerline as the road will be widened in the near future.

A  $\frac{1}{2}$ " I.P. was also set on the South line of the NW  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  and another  $\frac{1}{2}$ " I.P. was set on the southerly prolongation of the above mentioned parallel line, to assist in laying out a fence.

The basis of bearing for this survey was the North line of Sec. 22, also being the centerline of Ward Creek Road adjacent to this survey.

Sincerely,

*Bryce W. Rowley*
