SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Mrs. Hazel Holifield  
Route 1, Box 300  
Old Stage Road  
Medford, Oregon

PURPOSE: To monument and describe a parcel within the Holifield ownership.

PROCEDURE: Found centerline control points for Old Stage Road and monuments along the Northwesterly boundary of the subject parcel.

Traversed around said parcel, tied to the Northwest corner of Donation Land Claim No. 39 and to the iron bolt set for the angle point on the Easterly boundary of that tract monumented previously by this office on Recorded Survey No. 838.

The position of the tract lying Westerly from the subject parcel was computed and found by description that it does not encroach upon the subject surveyed parcel.

No attempt was made to determine the true position of the East-West centerline of Section 36, with the description of the subject parcel so prepared to bound said Section centerline with more-or-less distances and witness corner monument calls.

Monumented the tract as shown on the map to accompany this report.
