SURVEY NARRATIVE TO COMPLY WITH O.R.S 209.250
REVISED BY CHAPTER 555, O.L. 1963

FOR: Guy F. Hays
623 No. Central
Medford, Oregon

PURPOSE: To monument and describe the 3 tracts as
shown on the accompanying map.

PROCEDURE: Used the monuments found as control for the
South Boundary of these tracts. Said monu-
ments being identical with those reported
in Recorded Survey No. 3653. The East line
of these tracts was established on the line
joining the 3/4 inch iron pipe found to the
South with the 1/2 inch iron pipe found to the
North on Rapp Road. The Southerly line of
Wagner Creek Road was established from county
monuments as shown and this line was inter-
sected with said Easterly line for the true
Northeast corner of the three tracts.
