D.R. 284-127

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250

OREGON REVISED STATUTES

Survey for: Neil W. Burrill
642 Wilson Road
Ashland, Oregon

Survey by : Charles H. Hurst, L.S.
28 North Oakdale
Medford, Oregon

Bearing : Based on the meridian of recorded survey no. 2024.

Purpose : The establishment of a division line separating the parent tract without defining the outer boundaries thereof.

Procedure

Survey control utilized previously established during the course of recorded survey no. 3090.

Much unrecorded survey activity has been performed in this area during past years where monuments have been set defining division lines and property corners.

Research has revealed that deed record boundaries do not coincide in a number of cases where metes and bounds are involved. Eventually, much of this unrecorded work will be required to define by accurate survey. Such work, however, was not commissioned at this time.
