SURVEY NO. 4088

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250
REVISED BY CHAPTER 555, O.L. 1963

FOR: Don Skillman
1941 Siskiyou Blvd.
Ashland, Oregon

PURPOSE: To partition the tract as shown on the accompanying map.

PROCEDURE: THE monuments of Recorded Survey No. 801 were used as control for the East line of Section 28. The Right of Way line of Adams Road was established 20.00 feet from the mean of the existing center-line. The reason for the delayed fining of this survey is that the clients intentions were to create new parcels on the Westerly side of Adams Road and at that time create a 60 foot Right of Way width for Adams Road by deed. This was not forth coming and in the interim the original map of survey was filed in my records.

George Burrell
