SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209-250

Survey for: Otto Roth
5155 Cherry Lane
Medford, Oregon

Survey by: Edward A. McGinty
Reg. Land Surveyor
Medford, Oregon
June 1969

Basis of Bearing: Previous Survey of Record

Precedence of Survey:

This survey is a partial retracement of a proposed County Road. This was partially surveyed and monumented by Hugh Ingle and deeds prepared and signed to the County (unrecorded). This road is of record and on file with the Planning Commission. A portion of the road shown is not monumented could be changed to fit existing road now in use. Its present deeded location, as proposed, also affects the improvements on the property along the Southerly boundary. Apparently Survey No. 2417 attempted to survey the road as constructed.

Found stones at the Northeast and Northwest corner of Section 26.

Monuments set being 5/8" x 24" iron pin set approx. flush with the surface.
