Survey Narrative to Comply with ORS209-250

Survey No 4292

Survey For: Mr. C. M. McDonough  
RT. 1 Box 220  
Hiway 238  
Jacksonville, Oreg.

Date: June 22, 1970

Basis of Bearing: Sunny Acres Subdivision

Survey Location: NEL/4 Sec. 27, T38S, R3W, W.M.

Procedure of Survey: Found the initial point to the Sunny Acres Subdivision and also the 2 1/2" I. pipe being the S. W. Cor DLC 42. Having this as a basis of control I traversed West to lay out the boundaries of the accompanying map; I was able to find sufficient evidence of the re-located right of way as conveyed by deed ~~to~~<sup>to</sup> my client from the Oregon State Highway Dept. Having This information and physical points to work to, I surveyed the aforementioned boundaries to the wishes of my client.

Date of Completion: June 22, 1970
