SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250  
REVISED BY CHAPTER 55, O.L. 1963

FOR: Gail Brewer  
1255 Siskiyou Blvd.  
Ashland, Oregon

PURPOSE: To monument and describe the tract as shown  
on the accompanying map.

PROCEDURE: The monuments of Recorded Survey No. 3621 were  
used as control for Ashland Mine Road. The North  
and West Boundaries of this tract were located  
according to clients direction. The Southerly  
Boundary of the tract described in Vol. 550,  
Page 454 of the D.R., J.C.,O. was not established  
by this survey, although the call was made to  
this boundary in the description furnished client.  
Since the Northeast corner of Section 6 could  
not be supported by original evidence, this  
survey was tied to the Southeast corner of  
Donation Land Claim No. 48 in Township 38 South,  
Range 1 East (a 1½" iron pipe) through Recorded  
Survey No. 3782.
