

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250

OREGON REVISED STATUTES

Survey for: Ramsay Realty
 Rte. 1, Box 221
 Jacksonville, Oregon 97530

Survey by : Charles H. Hurst, L.S.
 28 North Oakdale
 Medford, Oregon 97501

Bearing : Based on the meridian for Recorded Survey No. 3606

Purpose : To set frontage and line monuments as shown.

PROCEDURE

Existing road monuments were utilized as previously set. The tie shown from the south boundary of the center tract was measured with a Geodimeter.

No external corners of Section 11 being found, excepting the north quarter corner and the northwest section corner, the determination of the interior subdivisional lines of said Section is not economically feasible at this time.

Accordingly, cardinal directions are shown and the record positions of any interior subdivisional lines logically can be expected to vary depending on the accuracy and the location of the original government survey.

Accordingly, the dashed position shown for the N 660 feet of the W 330 feet of the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 11 is shown for orientation purposes and should not be considered the true location thereof.
