SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250
REVISED BY CHAPTER 555, O.L., 1963

FOR: I. S. Thomas
4386 Pioneer Rd.
Talent, Oregon

PURPOSE: To monument and describe the partition of the tract
as shown on the accompanying map.

PROCEDURE: The Westerly line of said tract, being the only line
monumented by this survey, was established according
to clients instruction, from which a traverse was
made to the West 1/4 Corner of Sec. 18. The remaining
lines of said tract were calculated from record, and
therefor must remain more or less at this time.
From the 5/8 inch iron pin found at the West 1/4
Corner of Sec. 18, the original bearing trees were
found as follows: A 12 inch White Oak stump with two
blazes open (no scribing visible) bears North 74°
East 19.0 feet to lower face; a 15 inch White Oak
Stump with two blazes open (no scribing visible)
bears South 44° West 13.9 feet to lower face.
