Location: S.E. 1/4 of Sec. 35, T37S, R2W

Basis of Bearing: Survey No. 1325

Precedence of Survey:

This survey was made for the purpose of determining the location of an existing fence and its relationship to file Survey No. 1325. Using Survey No. 1325 and description furnished by the client it is indicated that the deed line is 6.8 feet more or less Northerly of the existing fence. Note; at the request of the client, a confirmed tie to the N.E. of D.L.C. 79 was not made, to limit the expense of the survey.
